CN-UB-280DC: Surge Voltage Protector

Attachment plug with replaceable surge voltage protection for coaxial signal interfaces. Connection: N connector female/female

The surge voltage protector for coaxial lines has to be installed in the antenna line. The shield has to be connected to earth as short as possible at the M3 screw in the housing. It is equipped with two type-N female connectors.

Important Note

This product is no longer available. We will of course continue to provide support for units that have already been purchased and are still in use. Please contact our [1] Sales Team for further details.

This product has been discontinued and has been replaced with: [2]

Key Features

- Surge Voltage Protector for coaxial Lines
- Easy mounting

Characteristics

Nominal discharge surge current	20kA / Isn(8/20)μs
Response Time	100ns max.
RoHS Status of Product	This product is fully RoHS-compliant.
WEEE Status of Product	This product is handled as a B2B (Business to Business) category product. To ensure that the product is disposed of in a WEEE-compliant fashion, it can be returned to the manufacturer.
